Code of Practice

When students from other countries come to study in New Zealand, it is important that those students are well informed, safe, and properly cared for. New Zealand educational providers have an important responsibility for international students' welfare.

St Patrick's College has been accepted as a signatory and has agreed to observe and be bound by the Code of Practice for the Pastoral Care of international students. The New Zealand Qualifications Authority (NZQA) is the Code Administrator for the *Code of Practice for the Pastoral Care of International Students*.
